spreds

Founded in 2011, Spreds has established itself as a leader in the digital management of stakeholders with more than 200 clients and around 50,000 users

Its web-based platform provides three digital tools that handle the legal, administrative and financial actions and transactions related to fundraising, management of stakeholders (shareholders, board members, etc) and governance. This brochure will exclusively focus on our fundraising products.

Our clients are: start-ups, scale-ups, (international) non profits and condominiums.

DIGITALISE YOUR
FORMAL MEETINGS
with eGovernance

spreds

Why use eGovernance?

By subscribing to one of our plans (see below for more detailed information), you will get access to the **following features**:

Time-saving
Cut by 5 the 15 to 25 hours usually spent organising a meeting (proxy, votes management).

Simple & Flexible
Thanks to a simple interface, you get to easily manage all complex situations (categories with multiple votes, specific quorums, etc).

Compliance
Make sure your meeting is compliant with the Belgian legislation and that all information is logged.

Who is eGovernance for?

This tool is for organisations that...

manage from **10 to 1000s of participants** per meeting
E.g. associations, condominiums, SMEs, etc

have more than **3 governing bodies to take care of**
E.g. SMEs or associations with board meetings, general assemblies, executive committees, etc.

need extensive **legal proof** of the validity of their meeting
E.g. organisations that are planning an IPO, an important audit or a sale. Organisations with a conflict between stakeholders.

are in charge of or **advising their clients in the organisation of their formal meetings**
E.g. corporate lawyers, fiduciaires, etc.

Choose your plan

Whether you are a **nonprofit, SME or condominium** and need to organise one type of meeting or **multiple types of governing bodies (board meetings, risk committee, etc)** and have **10 or thousands of members** to manage, there is a plan for you.
